

# Driving on Single Track Roads

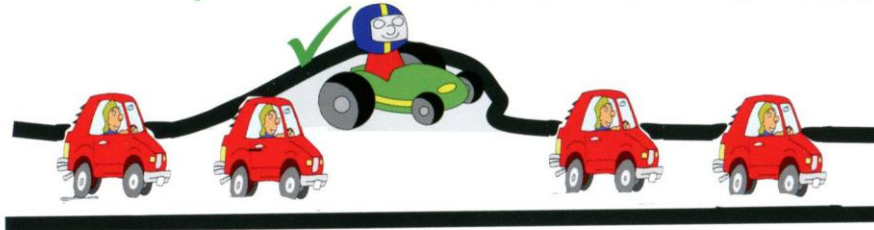

Do Keep Left

Do Stop to Let Vehicles Behind Pass

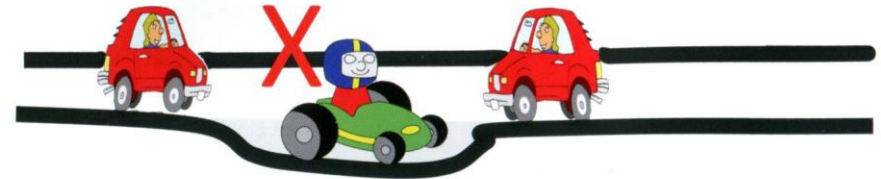

Do Stop and Wait at a Passing Place

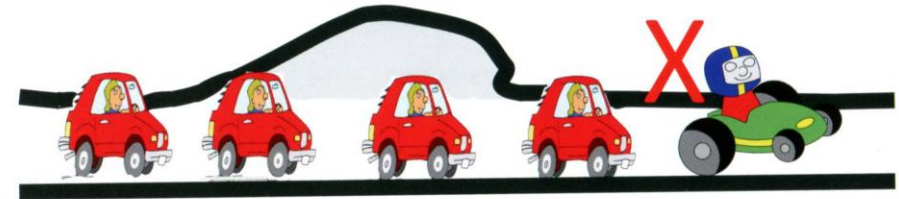

Do Notice Passing Places & Reverse!

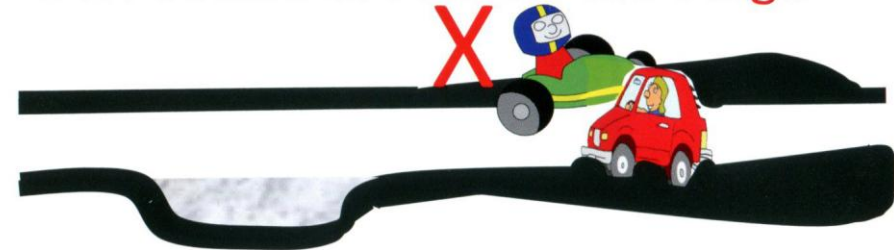

Don't Cross To Right

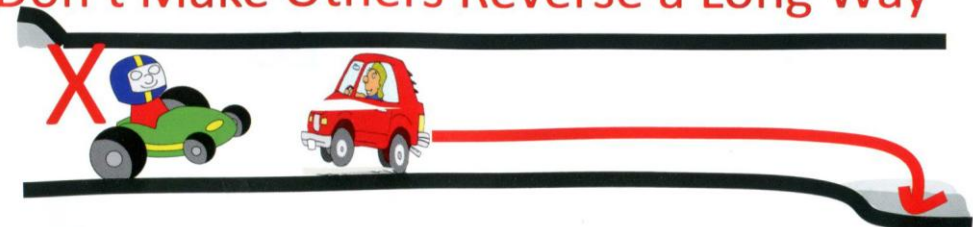

Don't Create a Queue

Don't Drive or Park on the Verge

Don't Make Others Reverse a Long Way

and

Beware

This is an attempt to help to stop the driving behaviour that causes so much frustration. It is, I hope, only the start of something that will improve in form and spread widely. If you can help this aim by giving either financial support, design or constructive ideas please e-mail [peppe@glendrynoch.co.uk](mailto:peppe@glendrynoch.co.uk).
